Rutgers University

Medieval Studies Association

Are you interested in the middle ages, a period ranging from the 5th to 15th centuries? Do you love art, history, or religion? What about trips to the Metropolitan Museum of Art, or Medieval Times?

Join the Medieval Studies Association to meet like-minded lovers of all things medieval!

In order to register as an official Rutgers organization, we are hoping to gain at least seven new members.

Ask us about our open Treasurer and Secretary positions!
